KINGDOM OF SAUDI ARABIA

Your Partner for People & Projects

RAVEXON is a Saudi contracting and manpower supply company headquartered in Al Jubail, serving clients throughout the Kingdom. We are a one-stop solution for general and technical manpower across all major industrial sectors — Civil Construction, Mechanical, Electrical, Hospitality, Cleaning, Manufacturing and Logistics.

Alongside manpower, we deliver general contracting, construction works, project execution, MEP & maintenance and material supplies — so our clients can rely on one partner from mobilisation to handover.

Our goal is simple: to provide quality, dependable manpower and services to every client, on time and at fair value. We supply skilled and unskilled workers on short-term and long-term contracts, backed by supervision, safety training and clear communication.

> We are the right workforce partner to meet your business goals — and to ensure your success through our expertise in manpower supply.

Skilled Workforce

Trained, certified trades and technicians.

Fast Mobilisation

Short-term and long-term supply, quickly.

One Integrated Partner

Manpower, materials and works together.

Safety First

A zero-harm culture on every site.

WHY RAVEXON

Reasons to Choose Us as Your Manpower Partner

Every business needs talented people to deliver projects on time — but hiring skilled workers directly is costly and time-consuming. RAVEXON gives companies quick, easy access to qualified workers across sectors, with a smooth transition onto site and the flexibility of short-term or long-term supply.

Qualified & Certified
Workers trained and certified to industry standards.

Swift Mobilisation
